

# Goals for the Writing Classroom

## Long-Term Writing Goals

- Exploring a variety of genres
- Understanding the writing process
- Making deeper reading-writing connections
- Learning the conventions of print
- Learning what strong writing looks and sounds like

## Short-Term Writing Goals

- My students love to write.
- Our workshop is a safe place where students know they can take risks in their writing.
- There's a workable management system in place so my students always know what they can do next.
